Hello Hien. My name is Lan Free. David Jenkins company is working on my house in Traverse City. We have a lot of issues as many homeowners are. I am hoping to talk to you but wanted to text you first since you would not recognize my number. I am in TC and if you are in town I would love to meet. Thank you!

Hi there. Hope you are doing ok today. Just thinking about you. I'm glad we got some of our meetings out of the way this week and can move forward. 😊

Henry just called us, we are sending info to him. We have a zoom meeting Tuesday. Want to hike tomorrow or Sunday?

I was telling my husband about everything you guys have been through. I just really admire you and
